LIONS FOR DIABETES AWARENESS

## Wisconsin Lions, Lioness & Leos Walk for Diabetes Awareness During the District 27 C-2 Lions Convention

Hello fellow Lions, Lioness, and Leos.

Spring is just around the corner. That means our District Convention is coming up on April 13 & 14 2018. We are planning to have another STRIDES WALK. This year Registration will start at 9:00 a.m. at the DIABETES Expo Table located in the Hall of Nations, the walk will be from 9:00 a.m. to 11:00 a.m. walk at your pleasure. Just think, you can get your morning exercise and build your appetite for the noon luncheon.

We are sending a pledge sheet and a information sheet about the two camps that benefit from each of the step you take. Please feel free to make as many copies of the information as you need, for your members, get your pledges even before the Convention (see your neighbors, co-workers, and friends that are not Lions for pledges). You may turn your pledges in at the Diabetes Expo Table in Hall of Nations Convention Center. There will be a T-Shirts and Hats for participants with the most pledges and the most money pledges collected. Anyone can participate. The money will be divided between Camp Lakota and Camp Marakesh ( please see the information sheet included). Last year we collected over **\$3,200.00**. Lets see if we can break our record from last year.

One club that wasn't able to attend the Convention passed a hat around at there meeting and mailed the proceed to us. A very nice gesture

The walk will be at your pleasure and Lions, Lioness, Leos ,friends and neighbors are more than welcome to come and participate , if you cant come maybe a walk around your neighborhood were you can also collect pledges. If you can't make the Convention please send your pledges to:

Lion Dick Garrow  
Rhinelanders Lions Club  
P. O. Box 1005  
Rhinelanders, WI 54501

**PLEASE put 'STRIDES WALK' in the memo part of your check.**

Thank you for all your efforts for the last three years. Lets make number four another record breaking year.
