

The District 27C2 Lions are looking for families to host foreign exchange students for a 4 to 5 week period from late June to early August, 2009. If your family or you know of a family that would be willing to share meals, daily activities, and your language with a boy or girl age 17 to 22 from a foreign country, please contact me for a Host Family Application. I have pamphlets and other information on what is requested of a host family.

Since 1961, the Lions have committed themselves to broadening international awareness among the young people of the world through the Lions International Youth Exchange Program. This program, unlike many others, is not conducted for the purposes of formal education or employment. Rather, it is designed to provide young men and women with a unique opportunity to experience another culture by being fully immersed into its daily lifestyle by living with a family.

We Lions in Wisconsin host approximately 60+ students from over 20 foreign countries for a 4 week period plus a week at a camp that all students must attend. This camp in Dundee, Wisconsin is scheduled for July 19-25, 2009.

Please contact me directly as I am the Youth Exchange Chairman for the Northern Wisconsin Area.

Thank you.
