You've heard the news! OUR Lions License Plate Bill SB307/AB465 overwhelmingly passed both chambers. Unanimous in the Senate and 1 Nay vote in the Assembly. Thank you all for your support and your calls, emails and letters to the legislators. Now write to them again and thank them for their support and votes. Their support for Lions helps us to continue and expand the good work we do in the community, state and the world.

We especially will thank Senators Jim Sullivan and Lion Mary Lazich and Representatives David Cullen and Lion Ted Zigmunt for sheparding this along in their chambers. It would not have happened without them.

Now it goes to the Governor for signing (or veto). Contact the Governor and let him know our 20,000 Lions are counting on his signature on the bill.

Governor Jim Doyle
PO Box 7863
Madison, WI 53707-7863
phone: (608) 266-1212
email: governor@wisconsin.gov

After his signature it will be awhile before we can start putting the plates on our cars while the Dept. of Transportation works out the details.

PLEASE FORWARD THIS TO ALL LIONS.
