

## **TO ALL Lion PRESIDENTS AND SECRETARIES of MD27-C2, Region 2**

Please review your dates of everything that you are responsible for so that you may get everything in on time. Dates are important and you are at that time of the **Lions** year of making sure everything is submitted on time for your year. If you are changing as an officer please help your new officers off to a good start by seeing that they get material they need and that they are properly installed as officers of your club.

**\*\*\*PLEASE NOTE: LIONS INTERNATIONAL WILL NOT SEND ANY MATERIAL FOR THE OFFICERS OUT UNLESS THEY RECEIVE YOUR PU-101 CLUB OFFICERS FORM (2010-2011) BEFORE MAY 15, 2010.**

We have some **Clubs** that have not sent in their **PU-101 Form**. Also, there are several **Clubs** that need to send in **late M&A REPORTS** in addition to **paying all Billing Statements to Lions Clubs International**. The **District Governor** receives a **“monthly computer printout”** indicating the **status of all Clubs** within **District 27-C2** as to the above mentioned items.

Again, **MANY THANKS** for your continuous **EXCELLENT “support”** and **“cooperation”** in keeping your Club in **“good standing”** with all items at the **Local, District, State** and **INTERNATIONAL** levels. **“IT IS GREATLY APPRECIATED!”**
